

2015 CIT Annual Report Fact Sheet

Resource Development Institute

June 2016

This report presents findings of the evaluation of the Crisis Intervention Team (CIT) program in Jackson County, Missouri. The report includes three sections: 1) Program milestones, 2) Five year CIT incident trends, and 3) 2015 CIT incident data by departments.

Program Milestones. Some highlights of the 2015 CIT program included:

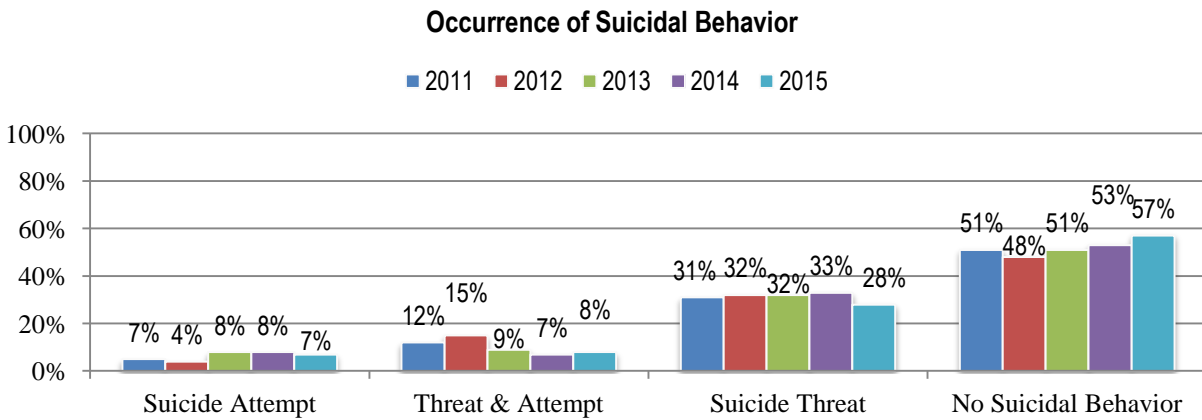

- KCPD CIT Squad formed in February 2015 and is housed at Metro Patrol
- Four basic trainings were conducted. The trainings were attended by 239 law enforcement officers, mental health professionals, and advocates.
- The Annual CIT Consumer Picnic was held at Swope Park. Law Enforcement volunteered at the picnic to increase positive relationships between consumers and officers.
- A cohort of MACITC members attended the First Annual Missouri State CIT Conference in Columbia, MO.
- Telecommunications CIT Training was held twice in 2015. A total of 139 telecommunication professionals attended the training. This was a new training for the MACITC in 2015.

Number of CIT reports. The number of CIT reports has more than **doubled** in the past five years.
